

CARE TIPS

FOR DEKODUR DISTIL MAGNETIC LAMINATES

dekodur® DISTIL

CLEAN
THE SURFACE WITH

Soft melamine sponge
or clean cloth

Soap and water
or a glass cleaner
when required

**NEVER
USE**

Abrasive cleaners or acids

RECOMMENDED WRITING INSTRUMENTS

For gloss sheets (EC901H-MH/ EC102H-MH)

Dry-safe whiteboard markers give the best results for writing and easy cleaning.

For matte sheets (EC901M-MH / EC102M-MH / EC502M-MH)

Liquid chalk markers such as **ZIG Illumgraph** are highly recommended for best results.

Regular chalk and other types of markers might **cause irreversible surface damages**.

TOP 3 GOOD HABITS

Clean with a **clean cloth and glass cleaner** to maximise the longevity of the surface.

Test your new marker pen on a small area before further usage.

Wait for the marker ink to dry before cleaning off. Remove stubborn marks with a damp melamine sponge or microfibre cloth.
