dekodur<sup>®</sup> DISTIL

**CLEAN**  
THE SURFACE WITH

Soft melamine sponge  
or clean cloth

Soap and water  
or a glass cleaner  
when required

**NEVER**  
**USE**

Abrasive cleaners or acids

## RECOMMENDED WRITING INSTRUMENTS

For gloss sheets (EC901H-MH/ EC102H-MH)

Dry-safe whiteboard markers give the best results for writing and easy cleaning.

For matte sheets (EC901M-MH / EC102M-MH / EC502M-MH)

Liquid chalk markers such as **ZIG Illumigraph** are highly recommended for best results.

Regular chalk and other types of markers might **cause irreversible surface damages**.

## TOP 3 GOOD HABITS

Clean with a **clean cloth**  
and **glass cleaner** to  
maximise the longevity of  
the surface.

**Test your new marker pen**  
on a small area before  
further usage.

**Wait for the marker ink to dry**  
before cleaning off. Remove stubborn  
marks with a damp melamine  
sponge or microfibre cloth.
